frequently asked questions

*Football players!
Don't forget Cong
Camp Aug. 7-8!*

I'm already enrolled. What do I have left to do?

- STEP 1 Pick up Payment Intent Form and class schedule from the Records Office.
- STEP 2 Take Payment Intent Form and class schedule to the Financial Aid Office to finalize financial assistance.
- STEP 3 Take Payment Intent Form, class schedule and Student ID to the Business Office to pay registration fee, make payment arrangements, get ID validated and receive my release to get books.
- STEP 4 Get books from the Cong Shop in the Student Union. The Cong Shop Bookstore will be ready to distribute books for Fall 2002 classes on August 1.

Registration for fall semester will begin Aug. 1. DON'T DELAY! REGISTER TODAY!

Okay, I'm not enrolled yet. What then?

Call the Student Services office at 620-227-9207 to schedule an ASSET Test and to get enrolled. Or, just show up Sunday, Aug. 18 for testing and enrollment.

And how do I pay for all this?

Students take care of tuition and fee payments at enrollment time. If you are expecting financial aid (such as a scholarship, Pell Grant, etc.), you may qualify for delayed payment. If that's the case, any amount not delayed is due at the time of registration. Contact the Student Financial Assistance office at 620-227-9336 for more information.

Credit cards? Yes, we accept VISA and MasterCard.

DCCC also offers a Tuition Payment Plan for students unable to pay their account in full at registration. To take advantage of that plan, you need to complete a Payment Application Form and submit a \$30 application fee in addition to your \$20 registration fee. Payment amounts and due dates are more flexible the earlier you apply.

If you're planning on living in one of DCCC's residence halls, you can either pay for the full semester, or pay one-fourth of the bill when you check in. If you elect to make monthly payments, they're due on the 15th of each month. Your first month payment is due on or before the day you check in.

Tell me about this Lifetime Fitness thing.

All Lifetime Fitness I students (taking the class for a letter grade) need to stop by the Wellness Center on Wednesday, Aug. 21 or Thursday, Aug. 22 to sign up for a mandatory pre-assessment fitness test. (This does not include community people that are enrolled in Lifetime Fitness for a Pass/Fail grade.) The assessment consists of height, weight, blood pressure, pulse, flexibility and strength tests. We will also go over the syllabus and answer any questions you may have.

The assessments will start on Thursday, Aug. 22 and continue Monday, Aug. 25 through Friday, Aug. 30. You must sign up and complete an assessment test before starting the class. If you are not assessed by Wednesday, Sept. 4, you will be automatically dropped from the class.

Adult Degree Program at DCCC

See if this comes close to describing your life: Your goals include a college education, but because you work a full-time job, you're about ready to write off that achievement because it might conflict with more pressing needs. Kiss that excuse goodbye!

Dodge City Community College introduces the Adult Degree Program (ADP). Combining traditional courses with non-traditional studies, students spend one night a week and two Saturdays every six weeks attending classes. DCCC's Admissions Office is your contact point for the Adult Degree Program. Call 620-227-9207, and ask for the ADP information packet.

Attend the ADP Orientation session Saturday, Aug. 17, from 9:00 a.m.-2:00 p.m.

Non-traditional Studies

DCCC offers a variety of independent study classes, any of which may be taken at a pace that's comfortable for you and a time that meets your schedule. The Non-traditional Studies Office is located on the second floor of the Learning Resource Center. Call 620-227-9352 for more information.

Outreach

Dodge City Community College serves a nine county region which includes all of Ford, Hodgeman, Clark, and Ness counties and parts of Meade, Comanche, Kiowa, Edwards, and Gray counties.

Within this area, DCCC offers academic and vocational college credit courses in 22 different communities. The College maintains Outreach Centers in Ashland, Kinsley, and Ness City. All of these locations provide access to courses and appropriate programming when students are unable to attend on-campus classes. For more information, call 620-227-9296.

EduKan: Community College Courses Online

Dodge City Community College offers a wide range of courses online through EduKan. DCCC and five other Kansas community colleges work together to offer a wide range of online courses. It's a great way to continue your education at your own convenience.

You can inquire, enroll and buy your books all online at www.edukan.org.
